

AVJAM Season 3 Angle of Attack the battle to remain upright

Multi Engine pilots deal with Vmc Issues when one or the other engine quits, we as single engine pilots need to deal with the same four forces that act on every aircraft. Angle of attack knowledge and understanding how our visual perceptions correlate to our current flight path are key to surviving as an airman.

Directions: Fargo Jet Center west blue building, west door #2, upstairs.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
